Webinar

## Economic Policies under Japan's New Cabinet: Wish List and Prospects

Japan had two elections—LDP President (September 27) and House of Representatives (October 27)—that elected a new prime minister. During the two elections, many economic policy proposals were presented and debated. The webinar will discuss economic policies that are likely to be adopted and those that are unlikely to be adopted but desirable for the Japanese economy.

2024.

11.8 [Fri.] 18:00-9:15 (JST)

11.7 [Thu.] 18:00-19:15 (EST)
