The Salon 3

Conversations with
Prominent Professors at
the University of Tokyo

Every Monday from December 2

“The Salon” is a dialogue series featuring distinguished scholars in the humanities at the University of Tokyo that aims to transcend disciplinary boundaries. It is hosted by Professor Naoko Shimazu of Tokyo College and Professor John Lie of UC Berkeley, who is currently staying at Tokyo College. We invite you to listen to an informal discussion between experts in different fields, as if you are sitting next to them. This is a chance to see a new side of our guests that you have never seen before.
